CARTE POSTALE. POSTKARTE.

By Appointment.

Entrance to St. Bartholomew's Hospital. Over the Gateway, with a sick man and a cripple on either side, is the statue of Henry VIII, but though he spared it when he suppressed the neighbouring monastery, it was really founded by Rahere in the reign of Henry I in fulfilment of a vow. St. Bartholomew's Hospital (called "Bart's" by the students) is one of the principal schools for medicine and surgery: Harvey, the discoverer of the circulation of the blood, was a physician here.
